Here, people come together, reconnect, laugh, dance, and share precious moments.  
And above all, we enjoy a unique, timeless island experience that will stay with your guests for a long time to come!

# LA MISSION

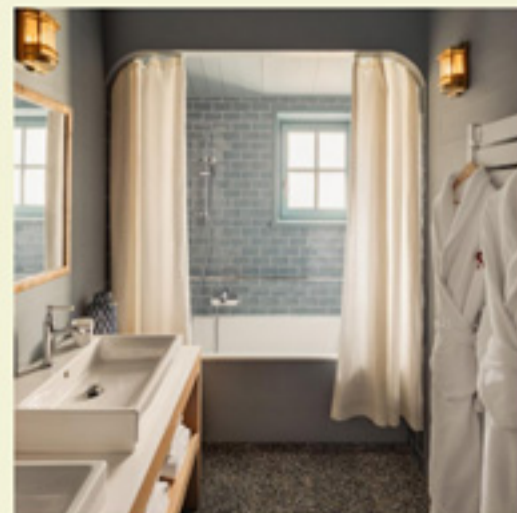

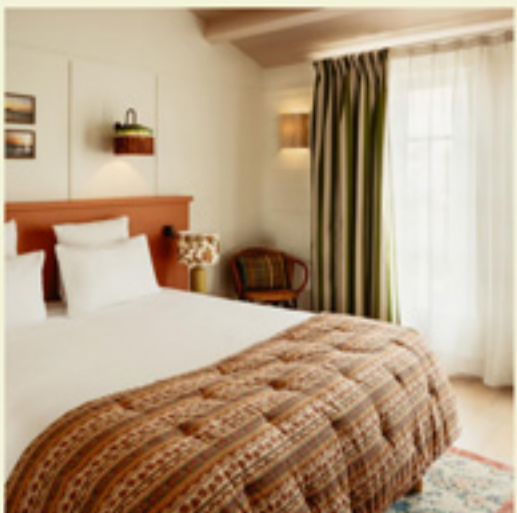

*the spirit of the place*

Located in the heart of the village of Saint-Sauveur, La Mission is, above all, a large family home.

Its 22 rooms and suites, each one different, combine natural materials, soft tones, and carefully sourced vintage furniture. They are all peaceful retreats where guests can unwind after a day spent exploring the island or celebrating together.

Some open onto a private garden, while others lead out to a sun-filled terrace.

Everywhere, the same signature: timeless, understated elegance, with the feeling of being at home... only better. A human-scale place, welcoming and soothing, ideal for gathering with family or friends and enjoying a suspended moment in complete simplicity.

# ACCOMMODATION & capacity

22 rooms, including 5 Terraces and Gardens suites, each one unique. Tastefully and simply decorated, they offer a warm and welcoming atmosphere where guests feel right at home, summer or winter.

Distinct styles: rattan, island-inspired colors, vintage furniture. Some with a garden or terrace.  
Up to 55 guests accommodated.
